Consumables and Hygiene Supplies

Through our partnership with AlSCO, we provide a large range of consumable products, hygiene services and rental equipment.

AlSCO has a great pickup and delivery service, and competitive pricing through their large buying power. From toilet tissue and paper towels to liquid soap, doormats, tea towels, linen and laundry services – we offer a tailored selection to suit customer requirements.

We supply Tork paper products, which come with 'best in class' environmental credentials, and are locally made in NZ from responsible forestry using up to 76% renewable energy.

We can arrange for the installation of new hand towel and soap dispensers, often free of charge. All purchases can be itemised on your CrestClean invoice, streamlining your procurement.

Time to upgrade your bathrooms!

Treat your workplace bathrooms to an upgrade with new hand towel, toilet paper and soap dispensers.

It's amazing how your staff and customers will appreciate this, as new amenities make bathrooms look more upmarket and nicer to use.

Bathroom Hygiene

Functional and stylish products, including foaming soap, toilet roll and paper towel dispensers, and sanitary disposal systems.

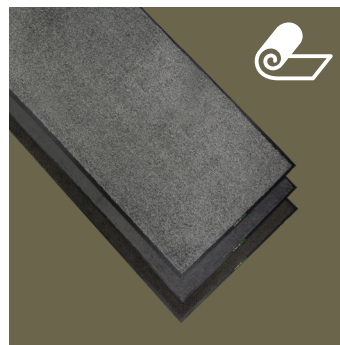

Paper Products

Sustainably sourced and made in Kawerau, Tork paper systems have less waste, less run outs and come with verifiable environmental credentials.

Linen

Serviced tea towels, hand towels and continuous towels ensure your workplace always has clean linen available.

Door Mats

Door mats get heavy traffic, but are often overlooked. Our managed door mat rental service ensures your workplaces stay cleaner for longer.

First Response

First responder solutions include defibrillators, portable eyewash stations and spill kits so your personnel can be prepared for emergency responses.

First Aid

Managed First Aid kits take the hassle out of restocking and ensure your business is fully compliant for health and safety.
